

Shared Bytes Blog Community Guidelines

The Shared Bytes space is accessible to all members of the FED Community. The goal is to generate dialogue, inquisitiveness, and new perspectives through the sharing of passions. While we encourage dissent and differing viewpoints, we ask that you follow the below guidelines as you are interacting in the space, so that it remains safe, respectful, open, and honest.

The below will not be tolerated:

- 1) Abusive language, harassment, cyberbullying, and hate speech
- 2) Discriminatory language or content, either specifically directed or undirected
- 3) Graphically violent content
- 4) Sexually explicit content with pornographic intention

Interactions including these things, as deemed by FED, will be removed and the perpetrator contacted. Repercussions will be administered on a case-by-case basis up to revocation of membership.
